About Us

The company produces some of the most fashionable garment products and owns one of the most comprehensive and resourceful manufacturing facilities in India. The company has a rich history of 30 years in the textile business, It all started with a garment company in 1999.

16TH JULY EXPORTS is being managed by a highly qualified, experienced and professional team. A large number of well-experienced, motivated and skilled production experts, 16TH JULY EXPORTS was established as a one-stop source for the global apparel market to meet customers' expectations by providing feature products and services on time and at competitive prices.

16TH JULY EXPORTS

The Founder

Mr. Darpan Thakar, the proprietor of 16TH JULY EXPORTS is young and successful entrepreneur and he has over 20 years of strong leadership experience in the textile industry. He holds a Bachelor of Business degree in Commerce from the University of Delhi, mentally motivated and technically sound. He began his journey of family business on the factory floor by learning the work from scratch. He grew to fame in the world of fashion by successfully focusing 16TH JULY large-scale operations on flexible manufacturing, speed to market and innovation. This resulted in the rapid establishment of strategic partnerships with many of the world's leading brands which in turn made the company to become a major player in the Garments export market.

Testimonials

Christie. M

“ This is the first time I am writing a review - but my experience was beyond one I could have imagined so I HAVE to ! I am not a person who likes surprises, so I did my homework and then shortlisted this company for our clothing collection. They as a company are incredible. Even Mr Thakar, the owner was super involved in the production process and it's so great. So happy with the results and I hope someone who is unsure of where to go is reading this...Go to 16TH JULY EXPORTS. Cheers !! ”
